

Reception Class Website links last updated January 2018

Please use this document to access tried and tested educational games and activities that we use in the classroom

[Articulation of phonemes](#) This is a helpful reminder for parents

- This is for reference for parents, so that you can hear the way we teach phonics in school. It is a short video, displaying each letter sound as it is written, alongside someone saying the sound that is taught. These are some of the sounds we teach the children in Reception class.

[Phonics explained for parents](#)

[Alphablocks](#) - Great programmes showing how to accurately say and blend the sounds (phonemes) together.

[Phonic Games](#) Click on Phase 2 to learn to spell and read

[Letter names and sounds song](#) This is a good song for letter names and letter sounds.

[Oxford Owl e-books-](#) children love to hear the stories. I use this to extend their vocabulary and understanding of words.

- sign up for free and access lots of e-books. You can choose to read the stories yourself or have the book read to you.

[Literacy games](#) The children love to play these in the classroom

[We're Going on a Bear Hunt](#) Children love this story

[The Big Numbers song](#)

[Interactive Estimating game](#)

[Guess the hidden shape](#)

[Simple subtraction game](#) Use this with your home Numicon pack

[Simple addition game](#) Use this with your home Numicon pack

[Alien pairs to 10 game](#) Children love to play this game in class

[Doubles to 5 rap](#)

[Positional language game](#)
