

Dear Parents and Carers

This term, Year 1 will be learning about The Great Fire of London during our 'Bright Lights, Big City' topic. As part of this we will be recreating Pudding Lane, which was where the fire started. The children are invited to create a Tudor-style house and to make them look as authentic as possible. Please note that the houses will need to be in school the week beginning **15th May 2017**, ready for a very exciting Science experiment.

I have included some photos of the houses created in previous years for inspiration. We hope that you will enjoy this project and we very much look forward to seeing all the children's houses.

Thank you.

Mrs Moore and Mrs Bains
