Welcome Back!

Welcome back to the spring term. Our new topic is 'Dinosaur Planet'. The children are showing a real enthusiasm for the topic and we are looking forward to all the exciting activities coming up.

PARENT WORKSHOP

Our next parent workshop is
Wednesday 24th January at
9.05am.

We will be making junk model
dinosaurs.

We hope you can make it!

Reading Books

All children have a reading book and we try to hear every child read at least once a week.

We have also introduced new reading diaries. Please record when you hear your child read at home – write the date, title of the books and sign your name (or put Mum, Dad, etc).

Please also practise the high frequency words at the front of the reading diary.

Try and hear your child read for at least 5 minutes every day. This will greatly improve their reading fluency.

PE Kit !

Please make sure all of you child's PE kit is named. This will help to prevent items of clothing getting lost or accidentally going in the wrong PE bag!

Thank you

Thank you

From the Year One Team
