

# Year 1 Class Newsletter

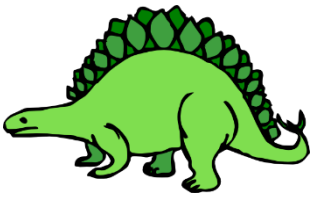

## Spring 1

### Topic

We are coming to the end of our Dinosaur Planet topic. I have been really impressed with the level of enthusiasm and knowledge the children have demonstrated this half term. I think we have some budding palaeontologists amongst us!

A big thank you to all the parents who came to our parent workshop. It was an incredibly successful morning with some fantastic art and design projects to show.

Our next topic will be **Paws, Claws and Whiskers**. We will be going on an exciting trip to **Twycross Zoo** as a **WOW day** for this topic. The date of the trip is **Tuesday 21<sup>st</sup> March**. We are asking parents to contribute £5 towards the cost of the trip. Letters will be sent home soon.

### Parent Evenings

We have two parent evenings coming up: **Tuesday 14<sup>th</sup> February** and **Thursday 16<sup>th</sup> February**. Letters will be sent home soon. I will do my best to accommodate your preferred time. Please book an appointment to discuss your child's learning and progress.

### Reading

Please remember to log every time you listen to your child read at home (a signature and date is fine). Children should be reading at home **daily**. Year 1 children will be taking the National Phonics Screening Test in the summer term and so it is vital that your child is reading regularly at home.
